

Republic of the Philippines  
**Office of the Solicitor General**

**SUPPLEMENTAL BID BULLETIN NO. 2017-008**

**PROCUREMENT OF FIVE (5) BRAND NEW MOTOR VEHICLES**

The following matters were clarified during the pre-bid conference conducted on September 27, 2017:

1. For the Passenger Van, the Vehicle Specification is Engine Displacement not exceeding 2200 cc for gasoline or 3000 cc for diesel;
2. For Car (Sedan or Hatchback), the Vehicle Specification is Engine Displacement not exceeding 1600 cc for gasoline or diesel;
3. Regarding the 4-Cylinder "In-Line" engine type of the Passenger Van, it is clarified that such specification refers to the arrangement or configuration by which the four (4) cylinders are mounted in the engine, particularly, in a straight line, as contradistinguished from "V" type of engines. Hence, regardless of the terminology used by every car manufacturer as long as the passenger van to be delivered by the bidder has the four (4) cylinders of the engine mounted in a straight line, then the same shall be considered as compliant with the Terms of Reference; and
4. Anent the Terms of Delivery, the items must be delivered within ninety (90) days from receipt of the Notice to Proceed.

For the public's information and guidance.

2 October 2017.
