Please be guided that **the following table**, which was inadvertently not included in the bidding documents, **is part of the Terms of Reference (TOR), under the header "Cleaning Supplies, Tools and Equipment," viz.:**

Please be guided further that the TOR was also uploaded in the PhilGEPS and OSG websites, and was the subject of the Pre-bid Conference last October 21, 2020, where the prospective bidders were asked by the Chairperson if they have read the same, and encouraged to ask clarificatory questions thereon.

Henceforth, should there be any inconsistency in the bidding documents and the TOR, the latter shall prevail. Bidders are therefore encouraged to revisit the TOR, as posted in the PhilGEPS and OSG websites.
